## ENGINES

- Twin Volvo IPS 600 (320kw/435 hp) with IPS propulsion units, electronic variable rate steering and electronic controls including joystick for slow speed maneuverability.
- **\*\* Upgrade \*\* Volvo Digital Positioning system (DPS)**
- **\*\* Upgrade \*\* Cockpit Joystick - Mounted onto GRP Part with canvas cover**
- Product Designation D6-435D-F (IPS)
- Product Number 40869406
- Port Engine Serial Number #A694915
- Starboard Engine Serial Number #A711550
- Port Transmission Serial Number #3940017277
- Starboard Transmission Serial Number #3940017278

## VESSEL STABILIZATION

- **\*\* Upgrade \*\* Sea Keeper 5 (model #SK5000) anti-roll control gyro stabilizer**

## SOUTH FLORIDA TROPICAL PACKAGE

- **\*\* Upgrade \*\* Generator upgrade to Onan model #MDKDN-1726266 13.5kW/60Hz/1800rpm. Generator Serial Number #D170169994**
- **\*\* Upgrade \*\* Tropical package Air-conditioning, Saloon (36,000BTU), Flybridge (24,000BTU), Fwd stateroom (12,000BTU), Aft stateroom (12,000BTU).**
- **\*\* Upgrade \*\* Factory tinted glass for saloon windows front & sides for heat reflection.**

## ELECTRONICS / NAVIGATION

- **Volvo Glass Bridge:** 7-inch multi-function display
- **Chart Plotter:** (2) Garmin 7612 including GPS & GRID controller
- **Auto Pilot:** Volvo/Garmin Auto Pilot integrated into Glass Bridge
- **Radar:** Garmin 4KW GMR424XHD2 Open Array Radar 5" Seaview mount
- **Depth Sounder:** Garmin GSD 24 Sounder with 1kW depth/temp transducer
- **VHF Radio:** Icom IC-423G VHF radio
- **Camera:** Garmin IRIS 65 Micro Dome in engine room
- **SPOT Trace:** GPS tracking system

## COCKPIT

- **\*\* Upgrade \*\* BBQ console combining electric BBQ, sink with faucet, large storage area, enclosed garbage bin and solid surface benchtop**
- **\*\* Upgrade \*\* Padded bolster fliter to cockpit coaming**
- **\*\* Upgrade \*\* Rod holders (12X) to flybridge rail**
- Access ladder with teak treads to flybridge
- Aft facing lounge on mezzanine level with drawers underneath for storage
- Cockpit floor reinforced with alloy plate for chair or table
- **\*\* Upgrade \*\* 4-inch stainless steel post with spider mount for Pompanette 4-rod, two-drink holder rocket launcher with drawer compartment and protective canvas cover.**
- **\*\* Upgrade \*\* Fiberglass oval table with four cup holders and spider mount for 4-inch base.**

- Cockpit hatches with heavy-duty stainless steel lock downs with gas struts
- Double action manual emergency bilge pump for engine room
- Engine room access (lockable)
- Fish bins x 2 (nonremovable) in cockpit floor with Whale Gulper 320 discharge pumps.
- **\*\* Upgrade \*\* one fish bin converted to live recirculating bait well**
- Grab rails to assist access to side decks
- **\*\* Upgrade \*\* Triangular quarter strataglass to cockpit port & starboard with additional grab rails.**
- Handheld shower with hot & cold fresh water
- Lighting spotlights, overhead and courtesy (DC) LED
- Lockers (GRP) for cockpit storage
- Self-draining cockpit to the stern
- Stainless steel rear bulkhead incorporating sliding saloon door and opening up rear window with gas strut and lock
- Steps to side deck port & starboard
- Top loading, freezer box to port at flybridge ladder
- **\*\* Upgrade \*\* Upsized compressor and freezer plates installed within cockpit freezer box. Isotherm model #U400X133P12111AA. Serial number i#2330 8752.**
- Transom door GRP opening outwards with lift up bridge
- Wash down tap (fresh water) powered by Jabsco Par-Max 5.0 pump model #37100-0394 (24V)
- Wash down tap (sea water) powered by Jabsco Par-Max 5.0 pump model #37100-0394 (24V)
- **\*\* Upgrade \*\* Rupp 32-foot double spreader aluminum outriggers with triple rigging**
- **\*\* Upgrade \*\* Rupp center outrigger**
- **\*\* Upgrade \*\* 10 Screwless Rod holders with backing plates installed in gunwale**
- **\*\* Upgrade \*\* port and starboard Hubbell 15-amp electrical connections for 12V for deep drop fishing.**

## CONSTRUCTION

- Hand laid, molded fiberglass hull, cored deck and flybridge
- Independent compartments throughout hull
- Isophthalic gelcoat exterior (white)
- Solid GRP chines and hull bottom
- Vinylester resin in first outer layer of hull

- Watertight collision bulkhead forward

## DECK

- Lewmar Delta Anchor 20kg (45lb), 70m (230ft) of 8mm (5/16-inch) galvanized short link chain
- **\*\* Upgrade \*\* spare anchor**
- Anchor chain chafe plate fitted to bow sprit
- Anchor locker with rope/chain divider (offset to stbd). Access from hatch on deck
- Anchor safety strap
- Muir anchor windlass model #AA560 vertical with overload protection circuit breaker, suit rope & chain, up & down switches & remote to helm
- Bow rail welded stainless steel (316 marine grade, highly polished) with mid safety wire including flag staff and burgee (bow flag)
- Bow roller stainless steel self-loading - through bowsprit, heavy duty
- Cleats - stainless steel 11 (x 8) 12 (x 2) fairleads aft corners (x 2) pop up cleats (x 2) for fenders
- Deck hatches x3 (lockable)
- Fender holders (x 2) to bow rail
- Rails port & starboard of flybridge above window for safe passage to forward deck
- Rub rail - impact and UV resistant PVC (white) with stainless steel insert strip
- Sea water wash down tap at anchor locker
- **\*\* Upgrade \*\* Underwater Lighting (3 x Transom Lights) Lumitec SeaBlaze X Blue/White**

## ELECTRICAL

- Alternators - Port alternator charges port start bank and auxiliary bank via a Voltage Sensitive Relay (VSR). Starboard alternator charges starboard start bank and designated alternator charges the house bank
- Batteries (maintenance free) - Independent port & stbd start (totalx4), house (x2) and auxiliary (x2)
- Battery banks individually isolated
- Battery charger -automatic (80amp/24VDC) to house bank
- Battery paralleling system for emergency engine start
- Bonding system, to all metallic hull fittings under the water line with zinc anode including galvanic isolator
- Digital DC circuit control and protection incorporating 'intelligent' operation with user

programmable usage modes, timer circuits, light dimming and circuit bypass, operational via conventional switches, signal set points as well as LCD display modules.

- C-Zone Digital monitoring system including AC and DC power metering, fluid tank level monitoring and DC circuit status via illuminated color digital touchscreen display, 1x at helm & 1x saloon control panel area
- Engine monitoring including instrumentation, alarms and hour meters
- Inverter to power televisions (as fitted)
- Navigation lights LED (international standard)
- Wiring coded, numbered & assembled in looms where possible
- **\*\* Upgrade \*\* Independent 24V to 12V 60-amp continuous load transformers for port and starboard electrical connections in cockpit**

#### ELECTRICAL - AUDIO/VISUAL

- **\*\* Upgrade \*\* Starlink satellite Internet system.**
- Flybridge - AM/FM stereo CD player and iPod connectivity (head unit to helm) Including 2x speakers
- Saloon – Fusion model #MS-AV755 AM/FM Stereo with Satellite Radio, CD/DVD player and iPod interface, amplifier, 4 speakers plus subwoofer to saloon, 2 speakers and remote to cockpit
- Saloon – 32-inch Samsung LED Smart TV integrated into saloon with manual fold up mechanism
- **\*\* Upgrade \*\* Saloon: Apple TV**
- **\*\* Upgrade \*\* Master Stateroom – GPX 22-inch LED TV/DVD/12V**
- **\*\* Upgrade \*\* Aft Stateroom – GPX 22-inch LED TV/DVD/12V**

#### FLYBRIDGE

- Drink holders in helm console
- Ergonomically designed helm console
- Hardtop - GRP, on stainless steel supports, inc. spotlight with remote, opening hatch, grab rail and overhead lighting
- Lounge seating forward (white vinyl) with storage underneath
- **\*\* Upgrade \*\* upholstery upgrades for lounge seating**
- Overhead and courtesy lights (DC) LED
- Rails on rear of flybridge including midrail

- Storage lockers (GRP)
- Table (GRP) with solid surface infill including drink holders fitted on a stainless steel pedestal
- Wet bar including, locker, grab rail, garbage bin, solid surface bench top, sink and mixer tap
- **\*\* Upgrade \*\* Refrigerator underneath wet bar. Vitifrigo model #C621XOCX. Serial #171103323.**
- Wrap around front windshield/deflector
- **\*\* Upgrade \*\* Snap down carpet in flybridge**

#### GENERAL SPECIFICATIONS

- All stainless-steel exterior fastenings 316 marine grade
- All stainless-steel mirror finish with ground welds
- Antifouling: 2 coats epoxy undercoat, 2 coats antifoul with Prospeed coating to propellers & Pod Drive gear
- Fenders x 4, dock lines x 4 and boat hook
- Fire extinguishers, portable x 4
- Gelcoat - 1 litre, shipped on board
- Hull colour white (gelcoat) with black antifouling
- Owner's manual - high quality and comprehensive
- Safety labels - English language

#### HEAD – DAY

- Contemporary design solid surface vanity benchtop with porcelain bowl and quality mixer tap
- Exhaust Fan
- Flooring in high quality vinyl
- Hatch - white with screen & blind
- Lighting, overhead (DC) LED
- Private entrance door
- Shower stall with frameless glass door, shower head (on slide bar) and automatic sump pump
- Toilet roll holder & other bathroom accessories
- Wall mounted Towel holders
- Under bench storage
- Dometic (Sealand) 24V Vacuflush #506 toilet (fresh water)
- Holding tank level indicator lights
- Vanity cabinet with mirror

#### HEAD – MASTER

- Contemporary design solid surface vanity benchtop porcelain bowl and quality mixer tap
- Exhaust Fan

- Flooring in high quality vinyl (excluding shower)
- Holding tank level indicator
- Lighting, overhead (DC) LED
- Mirror
- Private entrance door
- Shower stall with glass partition, frameless glass door, automatic sump pump and shower head (on slide bar)
- Toilet roll holder & other bathroom accessories
- Wall mounted Towel holders
- Dometic (Sealand) 24V Vacuflush toilet (fresh water)
- Vanity cabinet

### HELM

- Chain counter (anchor)
- Ritchie compass, 4.75 with light
- Dash cover (white)
- Electronic engine control unit
- Ergonomically designed aft helm position, with drink holders and comprehensive electronic engine instrumentation
- Pompanette Helm chair covers (x2) (white)
- Helm electronics area with 24VDC feed, main circuit breaker protected
- Safety monitoring panel for bilge pumps, sump pump, navigation lights, engine room lights and high water alarm
- Steering wheel - stainless steel
- VHF radio including aerial antenna

### MECHANICAL

- **\*\* Upgrade \*\* Reverso #GP-703-24 3-valve manifold oil changing system to main engines and genset**
- **\*\* Upgrade \*\* Reverso fuel polishing system in engine room**
- Acoustic & thermal insulation to engine room
- All through hull fittings on or below the water line fitted with ball valves, all hoses double clamped
- Bilge pumps auto & manual override x 2
- Engine access via large hatch in cockpit floor. (Opens remotely by use of an electric actuator). Day access through smaller hatch with gas struts
- Engine monitoring display (Volvo) – 7-inch Glass
- Engine mounts - anti vibration
- Engine room lighting AC and DC
- Engine room Delta "T" Systems 24V blower fans
- External & internal seawater strainers to main

- raw water intakes - generator & air conditioning (engines through IPS system)
- Fiberglass aqualift exhaust system for generator
- Fire suppression system for engine room with automatic/manual controls.
- Kuuma Innovations model #11840 stainless steel hot water heater for freshwater system (replaced 2024).
- Fresh water system (pressurized) with dual water tanks, total capacity of 122 US gallons with water fills on both starboard and port sides.
- **\*\* Upgrade \*\* Fresh water pump, Secondary backup pump (switched independently)**
- Fresh water tap & hose set in engine room
- Fuel filters/ water separator for engines & generator
- **\*\* Upgrade \*\* Dual Racor fuel filters/ water separator for main engines**
- Fuel lines all swaged with fuel fills on both starboard and port sides.
- Fuel shut-off valves with access that is remote from engine room
- Fuel tank, GRP coated in fire retardant flocoat, (528 US gallons)
- Holding tank capacity (40 US gallons)
- Props - IPS twin nibril 3 blade (counter rotating)
- Propsspeed coating to propellers
- Steering - at low speed via Volvo IPS joystick docking control
- Trim Tabs - Electric / Hydraulic
- Vacuflush sanitation system with switch at helm for overboard pump out and deck fitting for dockside pump out
- Volvo active corrosion protection (ACP) system (Volvo IPS only)
- Volvo Line cutters between props
- Volvo Penta IPS propulsion units (x2)

### REGIONAL SPECIFICATION AMERICAS

- AC power outlets (doubles) to all staterooms, heads, galley, saloon, flybridge, cockpit and engine room
- Outlets with Ground Fault Circuit Interrupter (GFCI) protection
- Shore power electrical inlet 50 Amp
- Shore power lead
- Vessel AC system built to 110V/60Hz

### SALOON

- Air conditioning: 16,000 BTU reverse cycle to

heat or cool

- C-Zone Display interface with safety monitoring alarms and information
- Folding saloon table with adjustable height pedestal
- **\*\* Upgrade \*\* Convertible dinette table, Manual hi/lo table drops down to become additional berth. Does not include mattress infill.**
- Galley Breakfast Bar forward with 2x removable bar stools
- Polished stainless steel handrail recessed into padded headliner
- Liquor cabinet with timber benchtop and bottle/glass storage
- **\*\* Upgrade \*\* Riviera bar accessory package**
- Lounge, U shape in premium leather with storage underneath
- Rod storage locker in headliner. Electric open/close
- **\*\* Upgrade \*\* Fishing Rod storage racks within saloon overhead compartment**
- Upper pelmets
- Lighting, overhead (DC) LED
- Liquor Cabinet
- U-Line refrigerator/ Icemaker combination. Model #ULN-C029B-03A. Serial #1641871-02-0005.
- **\*\* Upgrade \*\* Exterior mounted screen window cover (black breezeway) for front and side windows.**

#### SALOON – GALLEY

- Aft galley arrangement
- Electric cooktop, dual element with removable pot keepers. Whale (Attwood) model #G2247-5100. Serial #012517751.
- Dometic 24V cooking exhaust fan with light
- Flooring in commercial grade vinyl
- Garbage bin with concealed cover
- Overhead LED lighting
- Microwave/convection oven. Frigidaire model #FFTC1278LS. Serial number #1G64905428.
- Undercounter Vitrifrigo 2-drawer refrigerator freezer. Model #DW180IXD4-EF-2 and serial number#002303001981.
- Solid surface benchtop including stainless steel sink with mixer tap
- Storage cabinets & drawers with soft close runners
- **\*\* Upgrade \*\* Riviera dinnerware**

#### STATEROOM – AFT

- Berth - single along outboard hull side
- Berths - 2 x fixed single athwartships including storage underneath
- **\*\* Upgrade \*\* two twin berth slide to form a queen size berth. Linens included for both two twins and queen size berths.**
- Blinds fitted to port holes and hull windows
- Carpet with underlay
- Door - 2 way, allows the conversion of day head into a private ensuite or allows day head access with aft cabin privacy
- Drawer cabinet with soft closing runners
- Feature bulkheads upholstered
- Hanging locker with cedar lining and auto lighting (LED)
- Large, fixed hull windows port and starboard with tinted tempered glass
- Large framed feature mirrors fitted to aft bulkhead
- Reading and overhead lighting (DC) LED

#### STATEROOM - FORWARD VIP

- Access to private ensuite
- Carpet with underlay
- Feature bulkheads - upholstered
- Hatch - white with screen and blind
- Headboard – upholstered
- Hull and head linings, vinyl covered with padding
- Master berth with under bunk drawers and side tables
- Porthole - fixed bonded glass - recessed into hull sides with fitted window furnishings
- Private entrance door
- Queen walk-around berth with innerspring mattress
- Reading and overhead lighting (DC) LED
- Robe with hanging rail to starboard, cedar lined with auto lighting (DC) LED
- Robe with shelves to port, cedar lined with auto lighting (DC) LED
- Storage cabinets outboard with mirrored doors and positive locking hardware

#### TIMBER FITOUT

- Cherrywood interior with high gloss varnish throughout
- Commercial grade flooring to galley (Kentucky Oak)

## PERFORMANCE CHART BASED ON SEA TRIAL

	RPM's	Load	Turbo	Speed (mph)	Fuel (mpg)
Starboard	3500	100%	27 psi	31.4 mph	0.7 mpg
